2. To consider the recommendation of the building committee and the session concerning the construction contract to renovate and expand the existing sanctuary, to build additional music ministry rehearsal space and additional Sunday School rooms, to renovate the heating system, and other related improvements to the church facilities.
3. To consider the recommendation of the session, pending congregational approval of the construction contract, that the congregation approve the building fund treasurer (Jerry Pangburn) to negotiate any necessary short term and/or long term borrowing with a local financial lending institution to pay for the building project.
4. Any other business pertaining to the proposed building project.

The 4¢ a Meal Offering will be collected next Sunday, May 22nd.

Thank you to all who worked with such dedication to create a unique worship experience through “Somebody’s Praying Me Through”. We have been blessed by the music and the musicians. Thank you, children, for encouraging us all to pray for you and for others without ceasing.
